Discover Park Intelli

Park Intelli Solutions is a leading provider of comprehensive business solutions across various domains, committed to delivering excellence and innovation to our clients worldwide. With a robust portfolio of services, we strive to address the evolving needs of businesses and organizations, empowering them to achieve their goals with confidence and efficiency.

Our commitment to quality is demonstrated by our ISO 9001:2015 certification, ensuring that our processes and services meet the highest standards of quality management.

What Makes Us Unique?

Welcome to Park Intelli, where innovation meets excellence. Our team of skilled professionals offers expertise solutions across various domains, delivering cutting-edge technologies tailored to your needs. With a client-centric approach, we prioritize your success, ensuring transparency and trust in every partnership. Quality assurance is non-negotiable, guaranteeing deliverables of the highest standard.

We embrace agility, adapting quickly to evolving requirements, and remain committed to excellence, driving continuous innovation and value for our clients in the digital age.

ItzMeIn: Your Ultimate Solution for Attendance Management

Are attendance challenges and employee engagement issues wearing you down? Look no further! The innovative ItzMeIn app is here to revolutionize your workforce management.

Imagine this: a seamless attendance management process powered by cutting-edge biometrics, including facial and fingerprint recognition, along with smart location-based features. Say goodbye to manual tracking and welcome an era of efficiency. But that's not all! ItzMeIn goes beyond attendance. Our platform unlocks the potential for optimizing employee engagement. Visualize a workforce that's not just physically present, but also fully dedicated and engaged.

What sets us apart? It's not just our advanced features, but our unwavering commitment to accessibility. Whether at your desk or on the go, ItzMeIn is right there with you. Accessible on Web, Android, and iOS platforms, we're wherever you need us.

Concerned about security? Rest easy. ItzMeIn operates on a robust Standalone and SAAS (Software as a Service) architecture. We value your data's privacy and security. With dedicated data storage for each customer, safeguarding your data is our priority.

Key Features:

Finger Biometrics Attendance:

Enable clock-in and clock-out via fingerprint biometrics, enhancing secure attendance tracking.

Easy Integration with RFID/Third Party Tools:

Enable clock-in and clock-out via fingerprint biometrics, enhancing secure attendance tracking.

Mobile Attendance:

Enable clock-in and clock-out via fingerprint biometrics, enhancing secure attendance tracking.

Facial Attendance:

- Experience a strong facial attendance feature that simplifies marking attendance through facial recognition technology. Real-time face detection via live camera stream.
- Automatic attendance marking for registered employees, including geo-location.
- Instant alerts for unrecognized faces and creation of image records.
- Group Image Capturing for Mass Entry/Exit

Report and Analytics:

Build your reports using Report Writer Customize your reports on need basis.

Geo-Location Tagging:

Tag attendance records with real-time geo-location information. Beneficial for tracking field staff, especially valuable for off-site employees.

Join the TOUCHLESS and SAFE revolution. Transform your attendance management. Empower your workforce. Say hello to ItzMeIn at an AFFORDABLE COST and bid farewell to attendance worries..!
