Reliable, Accurate & Timely Title Search Services for Title Agents

At Park Intelli Solutions, we specialize in delivering precise, fast, and cost-effective Title Search and Examination services to Title Agents across the U.S. Whether it's a quick current owner search or a complex full search, our experienced team ensures compliance, accuracy, and timely delivery—so you can close faster and serve your clients better.

About Us

We offer a full range of Title Search services, including Current Owner, Two Owner, and Full (30–60 years) searches to provide accurate ownership history and identify liens, judgments, and tax issues. Additional services include Judgment & Lien Search, Tax Status Search, and fully Customized Reports delivered in your preferred format or integrated platforms like Qualia or Resware.

Our Title Search Service Offerings

Current Owner Search

- Focused search on the present owner's interest
- Identifies open mortgages, liens, judgments, taxes, and encumbrances

Full Search (30–60 Years)

- Complete title history and legal ownership
- Ideal for purchases, refinances, and complex transactions

Judgment & Lien Search

- Federal, state, and county-level judgment and lien checks
- Bankruptcy and UCC search add-ons available

Two Owner Search

- Covers present and previous owner
- Full chain of title, open liens, judgments, tax status

Tax Status Search

- Verified status of county, municipal, and school taxes
- Includes delinquencies, upcoming dues, and assessments

Customized Reports

- Search results formatted to your preferred template or software
- Delivered via email, your system, or integrated platforms (Qualia, Resware, etc.)
